H₂O GROUT RELEASE	NON-FLAMABLE WATER BASED STAIN REDUCTION AND GROUT RELEASE
DESCRIPTION	H ₂ O GROUT RELEASE is a low V.O.C. water-based formula designed to reduce stains, dirt and soiling on concrete, brick, pavers, block wall, quarry tile, natural stone and more.
USES	For use on concrete, grout, brick, pavers, block wall, quarry tile, natural stone and more. Prevents staining from grout coloring.
TECHNICAL DATA	Drying Time: 2-4 hours before grouting. Flash Point: >212° F (100° C).
LEED INFORMATION	Drying Time: 2-4 hours before grouting. Flash Point: >212° F (100° C).
COVERAGE	One gallon covers approximately 200 - 400 sq. ft. depending on the porosity of the surface being treated.
PACKAGING	One gallon covers approximately 200 - 400 sq. ft. depending on the porosity of the surface being treated.
SPECIFICATIONS	VOC: 80 g/L
FEATURES/BENEFITS	<ul style="list-style-type: none">• For use on concrete, grout, brick, pavers, block wall, quarry tile and more• Prevents staining from grout coloring.• Non-flammable, water based formula• For indoor or outdoor use
APPLICATION	Use Full Strength: 1) Make sure the surface is thoroughly clean and free from wax, sealants, or coatings of any kind. 2) Apply using brush, roller, sponge or low-pressure sprayer 3) Once the surface is dry, test to see if water drops “bead” on the surface. If not, a second coat may be needed, 4) Wait at least 2-4 hours before grouting.
PRECAUTIONS	CAUTION: Surfaces which are not to be sealed should be protected with protective masking material. WARNING: Use in well ventilated areas or use a NIOSH approved respirator. It is always recommended that gloves and goggles are worn at all times. Store away from oxidizing materials. Do not freeze.
HEALTH AND SAFETY	Eye Contact: Immediately flush eyes with plenty of water for approx. 15 minutes. If irritation persists, get medical attention. Skin Contact: Wash area in question with soap and water. If irritation persists, get medical attention. Inhalation: Remove person to fresh air. If signs/symptoms persist, call a physician. Ingestion: Do not induce vomiting. Give one glass for children and 2 for adults of water, Milk of Magnesia. Get medical attention immediately. For emergencies or product spills contact INFOTRAC at (800) 535-5053
SHELF LIFE (TYPICAL)	One year in original, unopened container.
